Missionary News

We have received an update letter from Easton & Kelsey Sikes, they are the new missionaries that our church sends support to, who will be going to Cambodia. You will find their letter on the missionary table.

With our fall ministries starting up once again, it's a good time to remind everyone of our child protection policy. This document is a crucial component of protecting children and youth who attend on Sundays and at mid-week ministries. We recently added two new points to our child protection policy that we'd encourage you to check out. This policy applies to teens as well as children under the age of 12. You can find a copy of the child protection policy in your box. Thank you for being a part of keeping our church a safe and inviting place for children!
