

WELCOME!

Meeting Together In Prayer

(Weekly Church Prayer Focus)

Psalm 19:9 says that "the rules of the LORD are true, and righteous altogether." In a world with constantly moving moral goalposts, thank God that he has given us a firm truth in the Scriptures. Pray that our church would not compromise with culture regarding the truth and pray that we would hold firmly that what the Bible says is right and wise really is right and wise.

ANNOUNCEMENTS

Interested in Church Membership?

If you are interested in church membership, or simply curious about what church membership is about here at Conrad Mission Church, then we invite you to a short church membership class! We will meet today and November 24, immediately after the service for a brief lunch and class. If you are interested in joining Conrad Mission Church as a member, then this class is the first step in joining. If you are unsure or undecided if you want to join, we invite you to come and see what it's all about!

Samaritan's Purse Operation Christmas Child:

If you took a box to fill please have it back to the church no later than Sunday, November 24 so it can be picked up.

Snow is Coming! So let us get ready.

We need volunteers to sign up to be on the Snow Removal Team. Winter snow shovelers are always a big need. If you love shoveling snow, or just need another opportunity to burn off some calories, there's always plenty of sidewalk to clear. So if you are willing please sign up. The sign up sheet is on the gather table. If you have any questions about this you can visit with one of the Deacons.

Winter Term Sunday School Classes will begin on December 1. See insert for upcoming Adult Class.

Exciting News! We now have a new way to connect with each other through Vanco Mobile App (Vanco Mobile Faith Engagement). This app is a simple way to connect with members of your church and build community. It's the home where church members stay connected, donate, plan and share.

Features:

- In-app-one on one and group chat for members to connect.
- Empowers members to give from the app.
- Church leaders can send church news through push notifications to small groups, like Bible study groups or event registrants.
- Create virtual or in-person events for groups or the whole congregation.

If you have a smartphone you can go to the App Store and search "Vanco Mobile Faith Engagement" Download that and then set up an account and join the Conrad Mission Church Community!

This will give you the chance to message other members of the congregation, see upcoming events and announcements, and give your tithe and offering!

If you have any questions contact Loren Utterback.
