**MISSIONS SPOTLIGHT: Amanda Benson**

*Amanda is a teacher at Faith Academy in the Philippines. She recently sent us a video update announcing that she has been asked to serve as vice principal of the middle school beginning next year! In addition, she sent the following letter:*

We will be starting face-to-face school on Monday, February 7, [which includes] a new schedule of hybrid learning. We will be running in two cohorts so that only about half of the students are on campus at a time. The other half will be joining on video call. Fridays will still be distance learning days.

As excited as we are about seeing our students, there are also a lot of stressors. Some you can be praying:

- We have never taught hybrid, so we need to figure out how to do that before next week. This includes the physical set-up of the classroom (according to government guidelines), the management of in-person and hybrid at the same time, and knowing how to prep for a class that is half in person and half online...
- Many of our students have never been to Faith Academy, or have never been in their current division (middle school/high school).
- Some of our students have barely seen other people for the last 22 months.
- Many students are still overseas. Praise the Lord the Philippines is opening the borders to fully vaccinated tourists starting this month so some of them may come back. But many will finish the school year overseas.

We are so thankful God has provided us this opportunity. Almost all schools in the Philippines still are not able to meet in person.

Thank you for your prayers as we walk this new road!

~Amanda
