The remaining cost of the trip is \$2200. Please pray for the team to tolerate the elevation (13,000 feet elevation), a good connection with the in-country partners, many opportunities to share the gospel, and for Nathan and the kids at home.

## **ANNOUNCEMENTS, *continued***

---

Due to the multitude of tragic incidents of gun violence in recent years, the leadership wants to share with you the following recommendations:

Good practices for coping with an active shooter situation:\*

- Be aware of your environment and any possible dangers
- Take note of the two nearest exits in any facility you visit
- If you are in an office, stay there and secure the door
- If you are in a hallway, get into a room and secure the door
- As a last resort, attempt to take the active shooter down. When the shooter is at close range and you cannot flee, your chance of survival is much greater if you try to incapacitate him/her.
- CALL 911 WHEN IT IS SAFE TO DO SO!
