CMC is a community Bible church. A typical Sunday attendance since the COVID pandemic is about 120 people. Our congregation is comprised of a wide range of ages, with many young families and children, up through grandparents and great-grandparents. We enjoy meeting together for worship, fellowship, and growing in our love for God and others through His Word. Our church practices the Great Commission by serving in and supporting ministries locally and throughout the world.

The main church building is a well-equipped, multi-purpose facility located on four acres within city limits. Conrad is a town of approximately 2600 people surrounded by thousands of acres of farmland with a magnificent view of the Rocky Mountain Front.
